FIRES AND ACCIDENTS

There were no related fires or accidents to report.

Several dealers reported ten unrelated fires and one accident. The fires destroyed eight homes and damaged two homes. The cause of the fires are believed to be electrical problems, unattended pot on stove, from around the air conditioner, and the others unknown. There was no loss of product and no injuries were reported.

One dealer reported an accident occurred at a business when the brakes failed on a vehicle causing the vehicle to jump the curb and struck a propane cage. There was no loss of product and no injuries were reported.
