FIRES AND ACCIDENTS

There were no related fires to be reported.

Several dealers reported eight unrelated fires, three accidents and two incidents. The fires destroyed five homes, one mobile home, damaged one home, and the damage was unknown at one home. The cause of the fires are believed to be electrical, lightning, cooking on the stove and the others are unknown. There was no loss of product and no injuries were reported.

Three dealers reported accidents occurred when their driver attempted a left turn in front of a gravel truck, their driver struck a pick-up truck as the pick-up ran a red light, and their driver got lost cutting through their parking lot. There was no loss of product and injuries were reported. Also, two dealers reported incidents occurred when a tree fell across a mobile home striking their propane tank causing

a leak and the other occurred when a seal on the pump on a large propane tank failed causing a release of 8 to 10 gallons of propane. There was loss of product and no injuries were reported.

CONDEMNED SYSTEMS
