The Commission temporarily suspended, September 1, 2005, through October 31, 2005, administrative rules in non-safety areas, such as timely renewal of permit and card fees, proof of insurance requirements (this does not mean without insurance, only that the proof of insurance to the Commission was suspended), truck registration requirements, installation report requirements, monthly purchases and sales report requirements, sketch requirements, new permit requirements and others as were appropriate. In all areas where the rules were temporarily suspended, the requirements still have to be met not later than October 31, 2005. **ALL RULES THAT ARE DIRECTLY RELATED TO SAFETY WERE STILL IN FULL FORCE AND EFFECT AND WILL BE ENFORCED.** In order to qualify for the temporary suspension of any of the rules the violator would have to be directly impacted by Hurricanes Katrina or Rita and/or the aftermath thereof. Other circumstances which were related to Hurricanes Katrina and Rita will be considered as well.
