JR.
GOVERNOR

CHARLES M. FULLER
EXECUTIVE
DIRECTOR

04/13/2000

AD # 1530

TO ALL DEALERS:

*****SPECIAL NOTICES*****SPECIAL NOTICE*****

TRANSPORT/ DELIVERY TRUCK REGISTRATIONS AND INSPECTIONS

Annual registration forms have been mailed to all permit holders who registered trucks last year. If you did not register any trucks last year you would not have received this renewal registration form. A blank form is available upon request from the office through April 30 for registration by mail. After April 30, all registrations must be done by an inspector prior to operation in LA, and the required safety inspection performed at that time. Registrations by mail, prior to April 30, must have the required safety inspection performed within 90 days of the date of the registration. Safety inspections may be satisfied in three (3) ways: (1) By a LPGC inspector, (2) By a reciprocal state's inspection (Arkansas only at this time) or, (3) By a waiver of inspection. The waiver is available only if truck is not currently being operated in LA, but would require inspection by inspector or reciprocal state inspection prior to operation in LA. ALL ACTIONS (registrations and safety inspections) MUST BE INITIATED BY THE PERMIT HOLDER. FOLLOW INSTRUCTIONS CAREFULLY. SUBSTANTIAL PENALTIES MAY BE ASSESSED FOR NON-COMPLIANCE. QUESTIONS OR CONCERNS CONTACT LPGC OFFICE OR AN LPGC INSPECTOR.

SCHOOL BUS/MASS TRANSIT VEHICLES REGISTRATIONS AND INSPECTIONS (propelled by LPG)

All school buses/mass transit vehicles propelled by LPG must be registered and a safety inspection performed by an LPGC inspector prior to August 1, 2000. The rules governing these vehicles will be strictly enforced. SUBSTANTIAL PENALTIES MAY BE ASSESSED FOR NON-COMPLIANCE. QUESTIONS OR CONCERNS CONTACT LPGC OFFICE OR AN LPGC INSPECTOR.

ATTN: ALL PERMIT HOLDERS

Please be advised that any document (sketch, insurance, letter, fire and accident report etc.) submitted to the Commission from all permit holders must contain the EXACT dealer name that was approved by the Commission.

AD #1530, page 2, continued,

REMINDERREMINDER***

The Commission has a Web Home Page. The address is www.dps.state.la.us/lpg/home.html.

The home page is currently under construction to better serve your needs and to make it more user friendly. Most of the information can be downloaded, however, all information is not current. When construction is completed, all information will be current. The site will contain such things as: LA Revised Statutes, LA Rules and Regulations, Application and Change of Name Forms, Dealer Sketch Form, Installation Report Form (for domestic, public assembly, bulk and recreational vehicles), Fire Report Form, Accident Report Form, Monthly Sales and Purchases Form(both for Class 1 and Class 4), Transport/Delivery Truck Waive of Inspection Form, Reciprocal Examination and Reciprocal Inspection Forms, AD Letters(current as well as archived AD letters), Notices of Intents (on rule changes), Final Rule Promulgations (on rule changes), Commission Meeting Notices, others may be added.

The Liquefied Petroleum Gas Commission continued its regular meeting Thursday, February 24, 2000 at 1723 Dallas Dr., Suite A, Baton Rouge, Louisiana. The meeting was called to order by the Chairman with the following members present:

Mr. James A. Hopson, Chairman
David B. Doss, Vice-Chairman
Kenneth Weber, Commissioner
Mr. Donald Kiper, Commissioner

also present were the Director, Charles Fuller and various dealers.

CONDEMNED TANKS & INSTALLATIONS

Inspector McLain condemned the installation located at the residence of Dedra Franklin, 11423 James Rd., Amite, LA for improper piping and improper distance from LP tank to building. This 150 gallon tank and no other information available.

Inspector McLain condemned a tank system located at the residence of Russell Johnson Jr., 54267 Addison Rd., Independence, LA 70443 as there was PVC pipe running from the tank to the house.

Inspector Bertrand condemned two tanks at the Amerigas Bulk Plant in Oberlin,

LA. One was a 7100 gallon Mississippi tank, partial serial #217, 215 PSI-215, and the manufactured date is 1955 as the data plate was corroded and there was excessive corrosion on the tank. The other tank was a 12,000 gallon Mississippi tank, serial #51860, NSB 3568, and the manufactured date is 1960 as there was excessive corrosion on the tank.

FIRES AND ACCIDENTS

Two dealers reported fires that destroyed two homes. One home the fire is believed to have started from a space heater and the other the bedroom contained a space heater. There was loss of product and injuries were reported.

Several dealers reported eight unrelated fires. The fires destroyed one home, two mobile homes, and one tool shed. The fires damaged two homes and two mobile homes. The fires are believed to be electrical problems, a skillet of grease and the others unknown. There was no loss of product and no injuries were reported.

Two dealers reported accidents occurring by another vehicle running a red light and a dealer's driver lost control when he was being stung by a bee. There was no loss of product and no injuries were reported.

AD #1530, page 9, continued,
